

## Till Schrader - Bio

Co-founder at froach.de  
Founder & CEO at CHILICON IT SOLUTIONS  
CTO at Table of Visions  
Founder at 4vientos

Inventor, entrepreneur and founder. He started programming at the age of 14. Role model back then: Bill Gates. Alongside this, great enthusiasm for open source, which grew over the years. Founded his first company on his 18th birthday and has loved the world of business ever since. More than 20 years of experience as managing director and technical director in several IT start-ups and agencies. Focus on strategy, technology, organisational development and innovation. Active in many areas, with a love for dancing Cuban salsa. Is passionate about new work and mindfulness. Co-founder at froach.de.
